

With 6,200 employees in research, teaching and administration and its unique profile, TU Dortmund University shapes prospects for the future. The interaction between engineering and natural science as well as social and cultural studies drives both technological innovations and progress in knowledge and methodology. It is not only the roughly 34,500 students who benefit from this.

The Faculty of Business and Economics at TU Dortmund University is seeking to fill the position of a

Professor (W1) in Management

commencing as soon as possible. The successful candidate is expected to represent the field of Management in research and teaching.

The focus of the professorship will be on entrepreneurship or management accounting. In a broad understanding of entrepreneurship this also includes the research area of digital transformation as well as innovation and technology management. Management accounting also includes, for example, questions relating to business information management, sustainable corporate governance, human resource accounting or performance measurement and incentive systems.

The prerequisite for recruitment is an excellent doctorate in management or accounting. In addition, publications in peer-reviewed journals or submissions in the advanced review process are expected.

Experience with the implementation of empirical research projects, presentations at international conferences and research stays abroad are desirable.

Applicants should contribute to collaborative research projects within and outside TU Dortmund University. Experience in raising third-party funds is an asset.

An adequate contribution to the faculty's curriculum in German and English is expected.

The successful candidate possesses the necessary social and leadership skills and is willing to be involved in academic self-governance.

The recruitment requirements are based on § 36 HG NRW (law governing universities in NRW).

The appointment is initially for three years as a temporary civil servant. In the course of the third year, this status will be reviewed and may be extended for a further three years depending on performance.

TU Dortmund University strives to increase the number of women in academic research and therefore strongly encourages women to apply.

TU Dortmund University is an equal opportunity employer and gives preference to candidates with disabilities if equally qualified.

TU Dortmund University supports the compatibility of work and family life and promotes gender equality in the university community.
